Dear Mike:

On behalf of the Northeast Wisconsin Council of Logistics Management Roundtable, I would like to officially thank you for being the speaker at our May 22 meeting.

Mike, you did a terrific job. One measure of the impact you had is that you were quoted twice at our annual strategic planning meeting, which was held last Friday.

Again Mike, thanks for agreeing to be our speaker. Your remarks were informative, as well as entertaining and were extremely well received by our group.

Regards,
